## Announcement

# WELCOME MESSAGE

Dear Colleagues and friends,

On behalf of the organizing committee, we would like to invite you to join **17<sup>th</sup> Malang Continuing Urology Education (MCUE)** to be held on **April 22<sup>nd</sup> – 25<sup>th</sup>, 2024** Workshop at RSUD dr Saiful Anwar and April 26<sup>th</sup> – 27<sup>th</sup>, 2024 Symposium at Grand Mercure Malang Mirama, Malang, East Java, Indonesia.

The theme chosen is **“Best Practices and Challenges of Urology Transformation Service in Daily Practice”**

**The 17<sup>th</sup> Malang Continuing Urology Education (MCUE)** is designed to enhance scientific knowledge, medical progress, and the delivery of effective healthcare in the field of urology. Scientific papers will mostly be presented and moderated by leaders in the field, and participants will benefit from lively discussions on challenging topics, particularly in the field of urology. This event has evolved into an unparalleled platform for the exchange of remarkable scientific discoveries and the introduction of revolutionary innovations in the field of urology.

Our dedicated organizing committee is diligently crafting a high-quality scientific program complemented by unforgettable social activities, ensuring that this conference will be an experience like no other. We encourage the captive participants to submit their scientific manuscripts to participate in the paper competition.

Please make sure to block these dates and bring your family as well to join us in a unique, full of culture, and beautiful Malang.

We look forward to meeting you soon.

With Sincerely Regards,

**dr. Pradana Nurhadi, Sp,U(K)**  
Chairman of the Organizing Committee

- Key findings are clearly described including clinical practice relevance

## Authorship

Each quoted author should have contributed substantially to the represented work in terms of conceptual design or analysis writing of article and final approval of the article in order to take public responsibility for the content.

## Size

The size of abstracts not more than 300 words and limited to 3,000 characters (including title, body of abstract, spaces tables and graphics). Every picture / graphic count for 500 characters.

### **Title**

The title should clearly define the topic. Do not identify your institution in the title. There is no maximum length for the title. However, the characters in the title are included in your total character count. The first letter of the title will automatically begin with a capital letter. Do type the abstract and title in small letters, except for abbreviations. Do not type the abstract title in capital letters.

### **Authors**

Type full family name and first name of all authors, only omitting any titles, degrees and institutional affiliations. It is advisable to check the correct spelling of the family name and initials with each author. Please check that for authors from the same institution, the name of institution is written in the exact same way to avoid the creation of extra affiliations, which are in fact identical

### **Affiliation**

Type the name of the institution, department, city and country in English.

### **Body of The Abstract**

The following headings have already been formatted for you and should not be entered in the text fields again:

- Introduction & objectives
- Materials & methods
- Results
- Conclusion

State the objective of the study, describe the material and methods, summarize the results presenting sufficient details to support of the conclusions reached (not acceptable to state: "The results will be discussed"). Use number for numbers and only very well-known abbreviations e.g. kg, MRI etc. If you must use other abbreviations you must explain it the first time it appears. You can use the special keys to insert tables, pictures or specific characters.

### **Proof Reading**

Verify that your abstract is correct and read the proof carefully that will be automatically shown after you have inserted all data. Keep a printout for your own records.

### **Editing**

Abstract bodies will be published as submitted, except for a simple English spelling check. After submission deadline there is no possibility to edit the abstract anymore.

### **Submission deadline**

Deadline for abstract submission is **March 15<sup>th</sup>, 2024** at 12PM local time. Withdraw abstract(s) In case you want to withdraw your abstract after submission, please send an email before **April 1<sup>st</sup>, 2024** to **17mcue@pharma-pro.com**
